

MTL LOGO'D CLOTHING FOR 2017 / 2018

Now is the time to show off Mt Laurel Skiers in STYLE!!

Attached to the November newsletter, and posted on the MTL Website, is the initial order form for MTL logo'd clothing items offered for sale at ridiculously reasonable prices.

This is a great way to stay warm this winter and let everyone know that you are among the lucky few to belong to the very best Ski Club in the known universe!

Orders taken during each month will be placed on the last day of that month, and the pricing includes the logo! Additional artwork (name, etc.) can be placed for an additional fee (let us know what you want added, and we will promptly let you know what the cost will be). Once ordered, expect a 3 week delivery time frame.

The Club will make some money on each garment, which will be added to the general Club treasury, so help yourself and MTL at the same time while letting people on the slopes know that you ski with Mt Laurel pride! As time goes on, we will be adding additional garments based on the feedback that we get. In addition, we are looking at other MTL merchandise to bring to you such as window stickers, license plate covers, wine glasses, pins, etc.

Garments are available for viewing and try-on at meetings, and pictures of the garments will be posted on the website.

Get your orders to Jonathan Houck at meetings or at the address on the order form.

Kohl's dollars are not accepted with this offer!
