

MTL Vouchers on Account

NO MORE CARDS to LOSE!!! NO MORE CARDS to MAIL !!!!

Step 1:

Pay in advance for Lodge reservations and receive a discounted rate.

Prices are the SAME AS LAST YEAR

You will receive a Receipt for your entire purchase instead of individual voucher cards

Step 2:

See Lisa after receiving your purchase receipt.

A Voucher Use Tracking Record will be started for you with information of how many of each type of voucher you purchased.

You and Lisa will co-sign your record to indicate agreement on the number of vouchers you have available to use.

Step 3:

Make your reservations with Lisa as usual either in person, via e-mail or by phone.

As each reservation is made your next available 'voucher' will be signed off as used.

ADVANTAGES:

- Less overhead cost for printing of vouchers
 - Less headache to keep track of the voucher cards
 - If you make reservations by e-mail - especially mid-week reservations - you won't need to mail the voucher to Lisa. It will simply be taken 'off your account'
 - If you want to know what weekends you have reservations, we can just look at your Voucher Tracking record instead of having to flip through the reservation book to find your name
-

What if.....

I buy more 'vouchers' after my initial purchase?

- You will receive a new receipt for your subsequent purchase. You will need to show the receipt to Lisa so that your additional purchases can be added into your account. You & Lisa will again co-sign your account record as agreement of your increase in available vouchers

I cancel a reservation?

- The Reservation Cancellation Policy will remain the same; For weekend reservations, as long as you cancel by 9 pm Tuesday night prior to your reservation you will be able to apply that payment to another reservation.

I don't use all of my vouchers?

- The same policy will be in effect. Vouchers will be honored only for the current ski season. They are not transferrable, extendable or refundable.

I forget how many vouchers I have left to use?

- You can check with Lisa at the Wednesday meetings or via e-mail to confirm your remaining number of vouchers OR to confirm what dates you have made reservations

Can I

Buy vouchers by mail?

- YES - you may send a check to Kathy Amenta. Please indicate how many of each voucher type you would like. Kathy will pass your purchase receipt to Lisa so that your 'account' can be setup.

Vouchers will continue to be on sale through Wednesday December 7
