

Mt. Laurel Skiers Newsletter

April 2008

from the President . . .

Mt. Laurel is finishing the Winter Season with a real flair!

Not only did we finish first in the CSC Monday Night Racing series, but, under the leadership of Race Captain Pat Moore, and the inspiring work of Rob and Claire Dexter, and Penny Trick, we won the On Snow Winter Carnival competition as well!!! Congratulations to all who came out to participate in these events.

Speaking of Pat, he recently came back from the National NASTAR races held at Steamboat with 2 first place finishes (skiing and snowboarding). This is the first time EVER, for any age group, that an individual has accomplished that feat.

The Lodge season is fast coming to a close, with the most recent event the St. Patty's Day weekend. Many Thanks to Kathy DiMeola and Chuck Hanna and those who helped with the wonderful meals that were enjoyed by all lucky enough to be Irish and at the Lodge. The Spa weekend is coming up for the first weekend in April, and we finish the season with the Pig Roast April 12th and 13th.

The Lodge Lease Committee is currently negotiating the next lease, so if you have suggestions for us to consider for the 2008-09 season, please let me know.

The Jay Peak (drive) trip has taken place, and the 87 people who were fortunate enough to go had a great time. Dave England and Jenny Ebner did their usual fabulous job. Thank you

both for the hard work and many hours that you both put in. There is already talk of another Jay Peak excursion for '09.

Eric's trip planning is already in the works for next season, so please give feedback to him as to where and when you want to be on the 'fly' trip. The Board needs to approve both the trips early, so that we can give the specifics on location, cost, etc.

A special Thank You to Kay Leatherman and Mandy Lavallee and their Committee for the wonderful St. Patty's Day Dinner on March 12th.

Finally, the Annual Meeting and Officer/Board elections will be held on Wednesday, April 16th. We have delayed the on-line newsletter one month, so that everyone gets this issue in the mail. The slate of Candidates is presented in this issue as required. However, nominations can be made from the floor that night, so if you want to join us on the Board, please let us know.

Hey Yakkers •

It's time to start thinking about getting your paddle wet! We're busy making plans to get you out on the water (and bring you back too). Here's our tentative schedule so far. More details to come in May. And remember, you never have to scrape ice off your car to go kayaking.

LIP SYNC SHOW •

April 23 is the date this year. It is shaping up nicely and I know you are all going to enjoy it. Plus, there are loads of jokes! Now we need a big audience. Spread the word to family, friends, and acquaintances. They will love it. See you on the 23rd.

Lodge News •

We have two final events coming up: the Spa Weekend, April 4-6 and Pig Roast, April 11-13. Spa weekend activities include skiing and/or snowshoeing, chick flicks, facials, exercises, games, etc. The highlight of the weekend will be yours truly's kick-it-up-a-notch-and-burn-the-lodge-down nachos, combined with a blind box wine-tasting and dinner Saturday night. There will be a nominal charge for the wine-tasting and dinner. Are there any guys out there that want to prepare dinner for us? Men are, of course, included in this weekend, as long as you're willing to wait on us!

The lodge closes with the highlight event of the season, our annual Pig Roast, hosted by Chef Jack Uhrynowski. Don't forget to bring all of your "pig wear" and pig accessories. If you are not staying at the lodge but plan to join in on the fun, please contact Jack at least a week in advance, so that he can plan accordingly.

Thanks everyone who has worked so hard to make the lodge a success!

Cheer •

A lot of good things to report. Charlie Luckhardt is the proud grandfather of a baby boy and Andy and Charlotte Le Clair recently welcomed a new grandson into their family. Everyone was very happy to see Harry Fisher, Effie Economou, and Wendy Fitzsimons at the Saint Patty's Day dinner and Anne Alden at Jay Peak. All four looked great and are on the mend. Also mending are Lindsey Dandeneau who had surgery on her knee; Milli Arnold who has a broken wrist after being hit by a familiar club member while skiing in the woods at Jay; and Aletta Chamberland who cracked some ribs skiing fast at Okemo.

If you have any news of our members, please contact Milli at 860-871-0484 or milliarnold57142@aol.com.

Club Race Results •

Club Race 2008 at Magic Mountain was a glorious day of sunshine and competition. Congratulations to Ladie's champion Marguerite Meinzer, Men's champion Chip Simplicio, and Junior champions Sean Dexter and Taylor Jones. Plan to visit our new friends at Magic Mountain and enjoy a day of classic New England skiing.

MTL Hiking •

This month we say good-bye to ski season, put away our skis and snowshoes, get out our hiking boots. We need to continue to give those quads work to be ready for next winter! All hikes begin at 12:30pm Sunday afternoons. Most hikes are of moderate difficulty; we hike at a moderate pace which allows plenty of socializing. Prospective members, hiking is an excellent way to get to know more members. Bring water & snacks. We recommend hiking boots for most trails as the paths are often uneven. We're open to new ideas about where to hike and we're always looking for hike leaders.

We have one hike scheduled for April. Watch the calendar and the Web Site for new hikes. Our objective is to have a hike scheduled for most Sundays in May and June, as well as the last two in April.

April 20 • Indian Council Caves • Barkhamsted • Rick Sullivan (860-675-3403, 860-324-4952 cell) From intersection of Rt 219 and 318, near Barkhamsted Reservoir Dam, proceed east on Rt 219 for 1.7 miles to small parking lot on right, about 100 feet west of intersection of 219 and Hillcrest Rd. This hike is rated moderate difficulty. AMC's CT Day Hikes book describes this hike: "... arguably the most attractive length of trail in the state.... boulders and outcrops, open hardwood forest, mountain laurel thickets ... historic boulder cave..."

European Cruise 2008 •

The ship is the Voyager of the Seas. We will be leaving on September 11th and returning on September 20th. Ports include: Nice, France: Verona, Rome, Naples, and Palermo, Italy. The rate for the cruise portion starts at \$999.00 per person. I will be releasing space back to the cruise line at the end of April as the ship is filling. Our rates for the cruise and the airfare are about 30 percent below than the current rate (the \$999 rate is currently selling for \$1379). Do not hesitate as we will lose these rates at the end of April. Any Questions, please call me or email ASAP, there are currently 8 cabins left.

Monday Night Biking ... begins the first Monday in May

There's still plenty of snow in Vermont, but here in CT, it's almost biking season. Monday night rides begin the first Monday in May and continue throughout the summer. Many of our rides are jointly sponsored by MTL and our NSC friends. All rides are marked and maps are provided. There are usually three routes - short, medium, and long. It is mandatory that riders wear helmets, and sign in/out so the ride leader can keep track of those who participate. Rides begin at 6:00 PM each Monday but you should try to arrive before that to prepare your bike and find buddies to ride with.

If you have never participated, please come and enjoy this activity. Pizza or a picnic follows each ride, with the cost set by the ride leader. Even if you don't ride, many members come to support the leaders and socialize.

May 5 - Bristol, St. Gregory Church - Joint ride with NSC, pizza follows. Leaders - Andy & Charlotte LeClair, 283-4889. Direction - Rte 84 to Rte 72 West. Washington St exit, turn right at end of exit. Travel about 3 miles to the intersection of Rte 6. Turn left onto Rte 6 West. Turn right at light onto Stafford Ave. St. Gregory is one half mile on left.

Additional May rides are in New Hartford, May 12 and Manchester, May 19.
