The Monday night series is open to any CSC member over 18 years of age. Two courses are set side by side. Each week the racers alternate sides of the hill for their course. The red course or the blue course is consistent with the bibs handed out. A lottery system is used to determine the first down the hill. The best run counts of the 2 runs taken on the same course. Points are awarded to each class as world cup points: 25 for first place, 22 for second place, 20 for third, and 18, 16, 14 etc. for the next places down to 2 points. The club points are gathered by all races held. The individual age classes are determined by the best 5 of 6 races. Awards are given to the top 3 places in each class. The awards party for the Monday Night Series is held at the CSC meeting location date as indicated above. The printed results will show both the overall finish per class for each race as well as the points earned for each class for the 8 week series. The results are available on the web for 1 year after the events click on race results.

Cost for the racing is \$25 per night (\$12 skiing, \$12 racing, \$1 for council awards)
